SUPER SIMPLE!

Time To Cook: Active Time: 10 minutes
Total Time: 3 to 4 hours
Servings: Serves 4 adults

INGREDIENTS:

- 2 racks baby back pork ribs.
- Your favorite dry rub pork seasoning.
- 1 cup barbecue sauce mixture, depending on how much BBQ sauce you like on your ribs, you might need more than this amount.

Low & Slow Oven Baked Baby Back Pork Ribs

DIRECTIONS:

1. Preheat oven to 225 degrees.
2. Season your ribs with your favorite rub. We Suggest one of Roberts Own JimBobZ Brand BBQ Rubs. Memphis style, St. Louis style, Kick'n Maple & Honey style or Mesquite style.
3. Place ribs, meat side down, in sheet pans or baking dishes. For easier clean up line your pans / dishes with aluminum foil first.
4. Once you have placed the ribs in your pans cover the sheet pans / baking dishes with aluminum foil and place in the oven.
5. If you are using small racks of baby back ribs, take out after 3.5 hours. If you are using regular, larger sizes racks of baby back or St. Louis style ribs, take out after 4 hours.
6. Drain off the drippings.
7. Flip the ribs over using two spatulas and an extra set of hands if you have them, so the meat side is up. Be careful, as they may be so tender they fall apart.
8. Put a layer of your favorite BBQ sauce on the ribs and return to the oven uncovered for an additional 20-30 minutes. Our favorite is a 50 / 50 blend of Sweet Baby Rays & Bone Suckin Brand.
9. Remove from oven and we suggest you serve them up with a side of potato salad and some simple but tasty baked beans.
